

CLYDE HILL, ARE YOU IN?

Bellevue Schools Foundation asks parents to donate twice each year - during our *All in for Kids* fall campaign and at our *Spring for Schools* luncheon. Donations fund district-wide programs and initiatives that *Transform Education & Support Students*, including the programs listed below. The Foundation is separate from your school's PTSA and it's important to donate to both. If you've already given this year, thank you!

If every family who hasn't already donated makes a gift of \$50 or more, we'll exceed our goal!

\$66,739 left to raise to meet the \$257,500 fall campaign goal

\$36,000 expected employer matching

\$154,761 received to date

WHY SHOULD YOU CARE?

YOUR CHILD

Whether your child needs to be more academically challenged or needs additional help, he or she, along with the 19,100 other students in the district, benefits from Foundation funding in numerous ways, often sight-unseen.

YOUR DISTRICT

Bellevue schools offer a world-class education to every student thanks to community support. The district's reputation is well-known to college recruiters and employers.

YOUR COMMUNITY

We all benefit from strong schools in the forms of higher property values, a well-educated workforce, and a desirable community in which to live.

YES, I'M ALL IN FOR KIDS!
