

Dear Parent/Guardian,

Thanks to support from the Bellevue Schools Foundation, all K-3 classrooms in the District will now be using DreamBox Learning's Math Program, an online, Intelligent Adaptive Learning(tm) program that helps all students achieve better, faster math proficiency. Teachers will be using data from DreamBox, and their work with students in the classroom, to utilize when designing our instructional program that will support each student's development in math. Therefore, it is important that the work kids do on DreamBox reflects their independent ability level.

Your student can access DreamBox Learning from any computer, 24 hours a day, 7 days a week using this link:

<https://play.dreambox.com/login/x5s9/clydehe>

DreamBox is an online program - there's no software to download! All you need is a high-speed Internet connection and Adobe Flash. Adobe Flash is free and is included with many Internet browsers.

The district will study student progress in DreamBox this year to determine if the program should be continued. It is important that your student works independently in the DreamBox platform. Please encourage your child to do their best, but do not "help" them. The program will provide support and your child's teacher will be tracking student progress.

You may also review your student's academic progress by setting up a DreamBox Parent Account. Please follow these steps to create your free Parent Account:

1. Go to <https://play.dreambox.com/login/x5s9/clydehe>
2. Have your student login to their profile just as they would at school
3. Click *Setup Parent Access* at the bottom of the page
4. Follow instructions to create a new login and password
5. Read *Terms of Use* and *Privacy Policy*
6. Click "Submit"
7. Make a selection under *What do you want to do now?* and begin exploring!

A video walkthrough of this process can be found at:

<http://www.dreambox.com/parent-how-to-videos/school-plus-home>

Log into your home account after set up:

1. Go to <http://play.dreambox.com>
2. Enter your email address and the password.
3. If you would like to see your student's progress, click the "Parent Dashboard" button.

If you have any technical questions, please contact DreamBox Client Care by calling them at 877-451-7845 (weekdays 7am and 5pm, Pacific Time), or email support@dreambox.com.
